These sculpture workshops will be held here in the studio from 10 – 4. There will be a model to work from and we will go through the process of observing the form, making an armature and modelling in clay, wax or plaster. The model will sit from 11-1 and 2-4. The cost for the two day sculpture courses is £250.00 (plus materials, usually about £25) The three day plaster courses are £375.00 plus materials. All these prices include VAT.

Thursday 13th and Friday 14th March. Combined drawing into sculpture workshop using an animal / bird model.

Thursday 10th and Friday 11th April. Sculpture, using mixed media, working from an animal model (different clays, wax, hay, scrim etc.)

Thursday 29th and Friday 30th May. Mixed media course as above with an animal and human model.

Wednesday 25th - Friday 27th June. Three day plaster workshop. There will be no model for this course.

You will need a welded armature and a maquette to work from for the plaster courses (There is no model for these workshops) There will be a maximum of ten people for each class. It is a good idea to wear old clothes, aprons or overalls and remember to bring your own packed lunch. To sign up for any of these courses please call or email Clare. A 50% deposit will secure a place.
